Crime Prevention Tips

— Unauthorized Entry in Motor Vehicle (UEMV) is among the most common crimes in Bend. The vast majority of vehicles are <u>NOT</u> locked and valuables are often left in plain sight, creating a crime of opportunity. Don't be a victim — remove packages, purses, wallets or other valuables from your vehicle and ALWAYS remember to lock up!

— Bend PD has worked hard to reduce the number of bike thefts by over 60% since 2015 and continues to work on this in daily. You can do your part to help by locking your bike with a quality lock and registering it at BikeIndex.org — it's FREE and easy!

— The Bend Police Department allows citizens to submit police reports online. These reports can be printed at no charge and submitted to insurance companies if needed. To file online, please visit the Online Tools section of our website at BendOregon.gov/police **If the crime is still in progress or this is an emergency, please call 9-1-1 immediately!** Additionally, you can speak with an officer by calling our Non-Emergency number 541-693-6911
    * P.S. Please be as detailed as possible regarding lost or stolen property - we want to help find your items!

— Beware of scams! Be skeptical of "free" items that require you to pay a fee. Don't deposit checks and wire money to people you don't know. Visit ic3.gov and consumer.ftc.gov for more information and tips on scams.
